

Turn growing customer demand for safer, contact-free payments into a competitive advantage for your business

The 280+ million customers on the *Discover*® Global Network migrated toward contactless payments. By the end of 2020, the majority of U.S. cardholders converted to contactless cards.

Discover Global Network
contactless sales volume increased

↑ 260%+

YOY from 2020 to 2021 globally.

Discover Global Network
contactless transactions increased

↑ 208%+

YOY from 2020 to 2021 globally.⁴

Acquirers and merchants can count on unparalleled service and responsiveness from Discover.

True Partnership

We work hand-in-hand with our partners to implement the right contactless payment solutions for their customers, without a lengthy upstart process.

Greater Opportunity

We're enabling merchants to accept payments from 25+ card networks around the world, ensuring they can welcome customers from key travel corridors.

Constant Innovation

Our solutions are supporting new market segments for merchants and acquirers, such as our technology that allows payment cards and digital wallets to replace transit tickets.

Merchants & Payment Enablers

Merchants everywhere are embracing the convenience and safety of contactless payments.¹
